

# How Should We Rebuild Near the Water?

Come and give your input and feedback on proposals developed by the students of Mississippi State University's College of Architecture, and MIT's School of Planning. How should we build near the marshes and around Back Bay? What do you think these areas should look and feel like? We want to hear from you!

Tuesday, May 27, 2008  
Salvation Army Dome  
575 Division Street, Biloxi, MS  
5 – 7 pm  
Food will be served.
